Dear Saint Michael School Families,

In addition to your child's daily uniform, **physical education uniforms** must also be purchased by all students in **grades one thru eight**. Kindergarteners may also purchase gym uniforms however, it is not mandatory. If your child's gym uniform will still fit him/her in the fall, you do not have to purchase a new one, as long as it fits appropriately. Our school approved gym uniform components can **only** be purchased through Janet Farabaugh.

Janet will be present at our "Meet the Teacher Night" on Monday, August 19th @ 6pm to try on, purchase and take orders for gym uniforms.

Gym uniform orders can be placed by phoning (814) 674-5327 or (814) 931-2447. You can pick up your gym uniform at 402 Beck Road, Loretto, or at the school office once your order is placed.

The prices for Phys. Ed. Apparel are as follows: T-shirt (\$10.00), sweats (\$20.00), and shorts (\$15.00). Checks should be made payable to Janet Farabaugh. We **strongly suggest** that you try on the apparel before purchasing. Please call Janet to set up an appointment.

Elastic bottom or open bottom sweatpants can be purchased by **ALL STUDENTS** dependent upon their preference.

A few reminders about our gym uniform policy:

- **Socks must cover the ankle**; no colored or patterned, or no-show socks are permitted. Only solid black or white socks can be worn.

- No other Saint Michael School T-shirt may be worn. Only t-shirts that specifically have **"Saint Michael's**

Phys. Ed.”on the upper left hand chest may be worn.
No Exceptions.

- **Only WHITE undershirts or camis are permitted to be worn under gym shirts and may not hang below the bottom of the uniform t-shirt.**
- **Students may choose to wear their shorts under their sweatpants or wear their sweatpants only for gym classes. It is no longer required that students must wear their shorts under their sweatpants, unless they choose to do so.**
- **Gym sweatpants do not need to be worn from August through October 1st and from May 1st until the end of the school year. Students need only wear their gym uniform shorts with their gym shirts.**
- **Wearing another pair of shorts under the gym uniform shorts, is not permissible. If length is an issue, go up a size to accommodate.**

Thank you in advance for your cooperation! If you have any questions, please call **Janet Farabaugh** at the numbers listed above.

Sincerely,
